

FUND RAISER PROGRAM

HOT TO GO!!!

Pizza Pro would like to join with your organization in a very special fund raising event. On a designated night Pizza Pro will donate to your school, group, or club 20% of the net sales from order generated by your promotion.

Pizza Pro will provide to you a complete packet of information designed to make this one of the easiest fund raisers available. It includes a time table listing of things that need to be distributed prior to the event. A letter of explanation to the parents or members and a special sheet of coupons are enclosed to be copied and distributed by the organization. When used in a class room setting each teacher codes the coupons distributed to his/her class in order to track class participation in hopes of winning a pizza party. Any fliers, banners or posters you would like to display add to the excitement and help contribute to the success of the event.

Our letter of thanks and a check for 20% of the net sales resulting from our fund raiser will be presented to your organization the following week. The potential from this fund raiser is unlimited. You can have "Pizza Night" numerous times throughout the year. The potential return for effort expended makes this a favorite fund raiser for schools, clubs, and churches across the state.

Your local Pizza Pro Manager will become your personal fund raising consultant for this exciting event. It can be tailored to suit your specific needs. The team members at Pizza Pro look forward to working with you and your patrons in making this an easy, profitable and fun promotion!
